

# CHEMICAL STOCKPILE EMERGENCY PREPAREDNESS PROGRAM (CSEPP)

## 2022 BUILDING AND MAINTAINING A RESILIENT JOINT INFORMATION SYSTEM (RC203)

**JULY 14, 2022**

**Course Overview:** In this one-day interactive workshop, the emphasis will be on how to gather, analyze, coordinate and disseminate information when multiple agencies are involved – and when it is crucial that everyone reliably share information across jurisdictional and functional lines. Participants will gain experience and expertise in building and maintaining a resilient Joint Information System (JIS), with a focus on planning and preparing for the September 2022 CSEPP Exercise.

**Course Requirements:** Any specific pre-course requirements to be communicated by POCs prior to class date.

**Course Points of Contact:** Sharon Fincel, KY Division of Emergency Management; Phone: (502) 607-5722 (office); Email: [Sharon.m.fincel.nfg@army.mil](mailto:Sharon.m.fincel.nfg@army.mil). John Bobel, Lexington Emergency Management; Phone: (859) 280-8067 (office), (859) 213-6791 (mobile); Email: [jbobel@lexingtonky.gov](mailto:jbobel@lexingtonky.gov). Brett Hansard, Argonne PAST Fusion Cell Academy; Phone: (818) 399-7158 (mobile); Email: [bhansard@anl.gov](mailto:bhansard@anl.gov).

**Training Location:** *Morning:* Madison County Joint Information Center, 558 S. Keeneland Drive, Richmond, KY 40475. *Afternoon:* Agency office locations.
